Respond to God's Generosity

If you have not already offered a pledge to **Bishop's Appeal 2022**, please do so today. Your support is crucial to help the Ordinariate widen its ministry through essential support to our parishes across the U.S. and Canada. With every family's participation, our Parish/Parochial Community will do our share to advance the

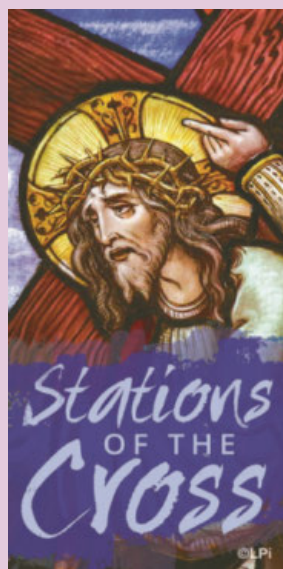

mission of the Ordinariate and welcome others into full, Catholic communion. Visit Ordinariate.net/bishops-appeal or pick up a pledge card and envelope from the parish today. Thank you for your generosity.

From the Pastor's Desk

St. Paul sets before us today a great challenge. He sets forth the idea that the way in which we live should be a testimony to our faith. Are you living your life in a way that reflects your faith? Or, more to the point, are you living your life in a way that reflects the life of Jesus?

There should be a harmony between that which we believe and that which we do. Do our actions draw people to the faith, or do they give cause for one to question if they really want to be a Christian or Catholic?

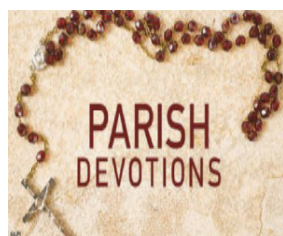

St. Paul encouraged his followers to imitate him. This Lenten season provides us a time for us to truly examine ourselves, and to realign our actions to reflect that which we believe. Thus, becoming a better witness to Christ and in the process becoming more like Him.

Question: Who invented the Stations of the Cross?

Answer: The first Stations of the Cross were walked by Jesus himself on the way to Calvary. Known as the "Via Dolorosa" ("The Way of Suffering") or the "Via Crucis" ("The Way of the Cross"), it was marked out from the earliest times and was a traditional walk for pilgrims who came to Jerusalem. The early Christians in Jerusalem would walk the same pathway that Jesus walked, pausing for reflection and prayer. Later, when Christians could not travel to the Holy Land, artistic depictions of "The Way of the Cross" were set up in churches, or outside and Christians would walk from station to station, reading the Gospel account of the Passion, or simply praying and reflecting on each event. While the content or place of each station had changed, the intention was to make a mini-pilgrimage and follow--literally--in the footsteps of Jesus.

This devotion became better known in the Middle Ages, and the Franciscans are credited with its spread. Lent is a time when many people make the Stations and some churches present Passion plays or Living Stations. But anyone can pray the Stations at any time. It is a simple and personal reflection on the passion of Jesus and what it means to us. ©LPI
